**NOW OFFERING**

*Custom Color Matching  
for  
Stone Repair Mortar*

Imagine being able to match your stone, get a sample and install it the same day? We did too!

**Conproco's** changing the rules of the game with their new Matrix Stone Repair Mortar Kiosk Color Matching System. You can now have your stone matched, get a sample of the powder and even apply it for approval all in the same day.

That's a time savings of two weeks or more...and no matching fee!

**A.H. HARRIS** can now color Matrix onsite and color match over 75 limestone, brownstone, terracotta, sandstone and cast concrete colors.

**This service available at:**

102 Wheeler St.  
New Haven, CT 06512
